

9 Week Course | June 8 – August 7, 2026

Saskatoon Trades & Skills Centre (STSC) is pleased to offer a nine (9) week Intro to Construction course. This course will prepare you for an exciting and demanding career in the construction industry as an entry-level employee. You will gain the training to work in various environments including construction sites, mines, and fabrication settings. Entry level labourers assist tradespersons by loading/unloading materials in work areas, erecting and dismantling ramps, barricades and structures at construction sites, cleaning debris and salvaging materials, and other activities as directed. You will also be provided with the necessary training to follow all health and safety regulations. Opportunities exist for individuals to move up within companies over time if they display the proper attitude, dedication, and attention to safety. (NOC 75110)

This course includes:

- SCOT/R&R
- WHIMS
- First Aid/CPR
- Fall Protection
- Aerial Work Platform
- Ladder Safety
- Forklift & Skid Steer Training
- Workplace Essential Skills
- 3 Weeks hands-on training
- 3 Week work placement
