

Steel Stud & Drywall Labourer

7 Week Course | January 27th – March 14, 2025

The Saskatoon Trades & Skills Centre (STSC) is pleased to offer a 7-week Steel Stud & Drywall Labourer course. This course will provide participants with the basic knowledge, practical skills, and certifications needed to gain employment as an entry level labourer.

Program participants will learn various applications of metal framing used in commercial construction projects including layout and installation of drywall.

This free course includes training in:

- SCOT
- WHMIS
- First Aid/CPR
- Fall Protection
- Fire Extinguisher
- Frame Scaffolding
- Drywall Application
- Aerial Platform Training
- Tool Safety
- Workplace Essential Skills
- 2 weeks hands-on training
- 2 week work placement

APPLY ONLINE!
January 6 to January 15, 2025

Applications close at 4 pm

You must be able to attend an online orientation on January 20th and potential online interview that week

Requirements:

- A minimum language level of **CLB Level 6 in all four categories** (reading, writing, listening, speaking)
**For applicants with English as a second language* Canadian citizens or Permanent residents can apply – must be residing in Saskatchewan for at least 6 months.*
- A direct deposit form from your bank for the first day of class (if you are selected for the program). This means if you do not have a bank account, you must have valid ID to open an account.
- Availability to work weekend and evening shifts may be required.
- **Valid Class 5 license an asset**

How to Apply:

- Go to www.saskatoontradesandskills.ca and click on the 'Apply Online' tab
- The online application is the only way to apply for the course
- Make sure to enter your correct email address – all details regarding your application are sent by email
- Check your spam/junk folder if you have not received an email confirmation after submitting online
